Dear member,

As you may already be aware, new legislation will come into effect on 14th September 2019 called the Payment Services Directive (PSD2). Part of this legislation requires enhanced security when it comes to managing your finances online.

What does this mean to you?

It simply means enhanced security steps have been added to give you peace of mind. Changes have been made to how you will log in and how you will set up/amend a payment.

Account Access

[Existing cuOnline+ members](#)

There will be an additional level of security that you must enter in order to be able to access your account. Please note that you will only need to enter your PIN once to activate the new security login following which the PIN will no longer be required as a new 3 step process must now be followed:

Step 1. Enter Username

Step 2. Enter Password

Step 3. Click Generate OTP
Enter Code
Click 'I approve this transaction'
